

# DARSHAN ANTARAVALLI

Java Full Stack Developer

darshannayak580@gmail.com | +91 8431631896 | Haveri, Karnataka | LinkedIn | GitHub

## PROFESSIONAL SUMMARY

Computer Science Engineering graduate (2026 batch) with certified expertise in Java Full Stack Development. Proficient in Core Java, Advanced Java (JDBC, Servlets), HTML, CSS, JavaScript, MySQL, and Firebase. Hands-on experience building end-to-end web and Android applications. Seeking a Trainee Software Engineer role to contribute to full stack development and deliver impactful software solutions.

## TECHNICAL SKILLS

**Languages:** Java (Core & Advanced), JavaScript, HTML5, CSS3, XML, SQL

**Backend:** Advanced Java, JDBC, Database Connectivity

**Frontend:** HTML, CSS, JavaScript, Responsive UI Design, Android Studio, XML layouts

**Databases:** MySQL, Firebase (Realtime Database & Authentication)

**Tools & Platforms:** Git, GitHub, Android Studio, VS Code

## PROJECTS

### Library Management System | Academic Project

2025

*Tech Stack: HTML, CSS, JavaScript*

- Developed a full stack Library Management System with Java backend and HTML/CSS/JavaScript frontend, enabling book inventory management and user administration.
- Implemented secure user authentication, role-based access control (admin/user), and book issue/return workflows using Java and MySQL.
- Designed and integrated a MySQL relational database with JDBC for persistent storage of book records and user data.
- Built search and filtering functionality allowing real-time lookup of books by title, author, and availability status.

### Namma-Kelsa — Job Portal Android App | Internship Project

2026

*Tech Stack: Android Studio, Java, XML, Firebase, MySQL*

- Built a full stack Android job portal connecting job seekers and recruiters with secure Firebase authentication and profile management.
- Developed a responsive mobile UI using XML layouts and implemented job search, filtering, and application tracking features.
- Integrated Firebase Realtime Database and MySQL for efficient management of user profiles, job listings, and application records.
- Implemented role-based dashboards (seeker and recruiter views) with real-time data synchronization using Firebase.

## EDUCATION

### Tontadarya College of Engineering, Gadag — VTU

2022 – 2026

Bachelor of Engineering — Computer Science | 68.75%

### Morarji Desai Residential PU College, Hassan

2020 – 2022

Pre-University Certificate (PUC) — Science | 73%

### MDRS Chikkerur, Haveri

2015 – 2020

Secondary School Certificate (SSLC) | 76%

## CERTIFICATIONS

**Java Full Stack Development** — Tap Academy, Bengaluru

2026

**Android App Development using Generative AI** — Mind-Matrix, Bengaluru

2026

**Data Analytics Job Simulation** — Deloitte (Forage)

2025
